Greetings Brethren,

It is impossible to watch the news or go on the Internet without being inundated with news reports that indicate more preparations for the further fulfillment of end-time events which God has prophesied in His Word. The Middle East is once again the primary focus. The Hezbollah are receiving Scud missiles from Syria to add to their current stockpile of at least 40,000 various types of rockets. According to the Russians, who are helping to build it, the Iranian nuclear reactor is to go online in August. Despite growing opposition from Congress, the Obama administration seems intent on further distancing itself from Israel, leaving that small nation all alone in a world that is anxious to fulfill PSA 83:4. The Obama administration is also aggressively going against the will of the vast majority of Americans by pushing an agenda of socialism. This is creating the leading edge of a coming conservative backlash similar to what occurred in Germany in the early 1930s. Just as that backlash created an atmosphere that allowed the rise of Adolph Hitler, so the backlash in the U.S. will create an atmosphere that will allow acceptance of the dictatorial leader of the Beast power.

We all understand that these conditions and many others indicate that the world is moving swiftly to the climax of the age. Even though these physical things are important to watch, we must be even more alert to the spiritual conditions of which we are warned to watch. The flames of offenses, betrayals and hatred are being fanned by the devil and have already engulfed many. To make certain we don't become a statistic in any of those shameful practices, we must draw near to God and resist the devil.

On another note: I hope all of you had a spiritually uplifting spring festival season and are now looking forward to the Feast of Pentecost. As hard as it is to imagine, the Feast of Tabernacles is just around the corner and we need to begin making plans to attend a site where we can receive the spiritual instruction and fellowship that God designed the Feast to provide. Church of God Fellowship will again host a site in Tucson, AZ and provide one or two satellite sites that will be connected to the main site in Tucson via the webcast. All of the information necessary for attending in Tucson is included in the material that follows.

Your brother in Christ,

Harold Smith
